IT LOOKS A LITTLE BIT TOO FISHY

FISH: Quinn's diet is more than a little fishy in the gyms and in Tony Quinn health stores, and another Mind Alert are to be downed mid morning. Lunch is made up of more fat in the form of meat and double cream washed down with more monkey nuts. The diet instructs that five more Amino Energise tablets be swallowed mid afternoon before a dinner of more protein and oils.

Quinn's Educogym diet comprises of five Amino Energise tablets and one Mind Alert capsule on rising followed by a spoonful of the performance enhancing Creatine which is used by body builders and athletes. Breakfast is loaded with protein and fats with choices including olive oil, double cream, redskin peanuts and oily fish. Five more Amino Energise tablets, sold
